Dear Mister Grubliauskas,

On behalf of all members of the IEC we thank you for your engagement to organise our summer event Europeade in Klaipėda in 2020.

The Committee unanimously accepted your proposal to host 4500 – 5000 participants from the 5th till the 9th of August. We look forward to a successful cooperation between your staff and ours, to make that event in your city an excellent one.

We hope to meet you and one of your colleagues during the 55th Europeade in Viseu. In attachment, I send you the contract, like you asked for.

I am at your disposal to come over to Klaipėda and visit the places of the manifestations, accommodation, etc. At that time, we can discuss about the details of the contract, is necessary or sign the contract if everything is clear for you. Let me know when this is suitable in your agenda.

We looking forward to having the Europeade in your city.

Kind regards,

Rüdiger Hess
President IEC
