18.6.2021

Dear Mayor Grubliauskas,

unfortunately, we were unable to hold the Europeade planned for 2020 in your beautiful city. This year, too, the pandemic has not yet given us the opportunity to hold the Europeade.

For the year 2022 we see the implementation of the Europeade given. Therefore, the general assembly decided to hold the Europeade 2022 in Klaipeda. In the meantime, we have already agreed on July 13-19, 2022 as the period.

We are happy to personally coordinate all timing, such as a visit by a small delegation in 2021, the presentation of the city during the general meeting in March / April 2022.

We look forward to a great Europeade in summer 2022 in your very beautiful city. Let us celebrate our Europeade in wonderful Europe in friendship with all our friends.

I look forward to seeing you again and wish you, your team and all citizens good health and all the best.

With kind regards

Rüdiger Heß
