№2103-22/01

To the Mayor of Klaipeda city  
Mr. Vytautas Grubliauskas

*Dear Mr. Grubliauskas!*

The cities of Klaipeda and Odesa are sister cities, and we greatly appreciate and thank for the assistance provided by the Lithuanian city of Klaipeda to Ukrainian Odesa, which is now in the war zone due to Russia's military aggression against Ukraine.

We see and appreciate all the citizens of the European Union who provide tremendous support to Ukraine in the form of humanitarian and financial assistance.

Thanks to all of you, humanitarian warehouses in Europe (<https://helpukraine.center/>) every day process a large amount of humanitarian cargo that is intended for transportation to Ukraine.

Today, Odesa is faced with an acute shortage of transport to organize the evacuation of refugees and the delivery of humanitarian supplies from Europe to Ukraine. We are talking about used ambulances, minibuses or passenger buses for the transport of refugees and trucks for the transport of humanitarian cargo.

We ask you to assist in this matter and, if possible, provide the necessary transport for Odesa.

The Honorary Consulate of Lithuania in Odesa will take responsibility and guarantee the control of the targeted operation of European transport in Odesa and Ukraine.

We express our gratitude to you in advance!

**Honorary Consul  
of the Republic of Lithuania  
in Odesa and Odesa region**

**Olena Drutis**
